A stylized, abstract drawing of a bird or creature in blue and green, with a large white circular shape on its head and a small red shape on its tail. The drawing is composed of bold, expressive strokes and is set against a white background. The bird's body is primarily blue, with green accents on its head and tail. A large white circle is positioned on the bird's head, and a small red shape is visible on its tail. The overall style is reminiscent of mid-20th-century abstract art.
